

Hi Luffe! How are you?

Hello from Spain.... We're Rian, Joaquín, Julia and Ismael. We stayed in the Citi Hostel with you in Dublin.

We hope you have not forgotten us. We remember you fondly. We felt very sorry because when you left the hostel we were in Kilkenny (Thanks a lot for recommending this city, it is really beautiful)

We would have liked to say goodbye to you.

We have listened to your CD. Joaqui and I know most of the songs, because he works in a nightclub where there is an orchestra and live music. Many of these songs are played there.

How about your life in Denmark? How is the weather?

We want you to be happy there and we hope you continue singing.

Tell us everything!!!!

We can never forget you Luffe, you are a very great person.

Remember you Spanish friends.

A great hug Luffe.

Joaquí, Rian, Julia e Ismael.
